

Accessing Sora

1. Sora now authenticates through Active Directory
 - a. This means that you now sign into Sora the same way that you sign into your computer or sign into your email.
 - b. Students and staff authenticate the exact same way, through Active Directory
2. You can access Sora through Clever, through the Clever app (it is on some of the student iPads) or through the direct URL (link on library webpages and on district webpages)
<https://soraapp.com/library/omahapsne>
3. The first time you access Sora on a device you will go through the below steps
 - a. Click on My school is Omaha Public Schools

- b. Pull down the arrow next to Select your school
- c. Click on Omaha Public Schools

- d. Click on Sign in using Omaha Public Schools

Sign into your school

Omaha Public Schools ▼

- e. Enter your email address – student email starts with s, staff email starts with e
f. Click Next

- g. The next screen should have your password already entered, click on Sign in

4. Sora opens
